The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to acknowledge receipt of Departmental letter of August 17, 1906 (L.T.D. 10042-1906), referring to a communication addressed to the Department under date of August 10, 1906, by Hon. W. A. Rodgers, of East St. Louis, Illinois, in which it is stated that he had been advised by A. E. Finkbeiner, of the Montegee, Indian Territory, that the enrollment of Joseph E. Rodgers and his children in the Montegee School was proceeding and would be completed before the end of the year, and that the school was in a satisfactory condition.

The Department desires that the case be promptly processed.

Very truly yours,
The Secretary of the Interior.
Enclosed for the Secretary of the Interior are two copies of a letter of August 10, 1906, from the Secretary of the Interior to the Secretary of the Interior, and a copy of a letter of August 10, 1906, from the Secretary of the Interior to the Secretary of the Interior.

(2)

This office on August 4, 1906, transmitted for Departmental approval a schedule constituting a part of the final roll of the minor citizens by blood of the Choctaw Nation enrolled under the Act of Congress referred to, Nos. 351 to 450, inclusive. The name of Beata B. Baggett appears upon said schedule opposite No. 351.

Mr. Penhouser was undoubtedly in error in advising Mr. Wicksburg that this office had approved the enrollment of Beata B. Baggett, as the only action taken during the month of May was the acknowledgement of the receipt by this office of the application for the enrollment of the child.

Respectfully,

In reply you are advised that the name of Needa B. The court further finds from the facts that plaintiff's cause of action has been established that the defendant: that the defendant was guilty of cruel treatment to the plaintiff, and that plaintiff is entitled to the redress sought.

It is therefore ordered and decreed by the court, that the bonds of matrimony heretofore existing between the parties to this action, be and the same are is hereby canceled set aside and held for naught, and that the parties hereto be restored to all the rights of single and unmarried persons.

It is agreed that the action of erasures may be indicated for all names and upon rolls, you will make such erasures in the following manner: The lines across through and purporting to connect the names from the rolls shall be lined out by drawing across them short strokes black in ink. The notations purporting to connect the names from the rolls shall be lined out by drawing through each line of said notations red horizontal lines. In addition to listing out

at the foot or end of each page, indicating any of these corrections, said note is to be indicated by where placed before the next column. The note shall read as follows: "There are lines purporting to connect names"

authority of departmental letter of January 19, 1909,

You will notify all persons, whose status on the rolls
has been recognized as above, of the action taken, and that
they have all the rights to allowances and payment enjoyed by
other citizens, as though no attempt had ever been made to
cancel their names from the rolls.

Except for the citizens named in above lists, I am not
ready to give you a list of the Danes and Greeks whose
status upon the rolls will be corrected under the principles
of the Salazar decision. Direction concerning them will
follow within a week.

There are other cases which were upon approved rolls
and were annulled or stricken therefrom by the Secretary
of the Interior without notice. Some of these are already
the subject of injunction or quo warranto actions against the
Secretary of the Interior, and in other cases such action
has not been instituted. There are reasons why such action
should not be taken.

principles of the Salazar decision. Careful consideration
of the matter will be given to each case, and, according to the
decision reached in each case, the persons involved will
be left to such action as may seem wise. It will have
the effect of departmental action in the future
will be for the best interests of the Government.

In the matter of the application for the enrollment of Inez Boswell as a citizen by blood of the Choctaw Nation.

--: D E C I S I O N :--

It appears from the record herein that on April 10, 1905 there was filed with the Commission application for the enrollment of Inez Boswell as a citizen by blood of the Choctaw Nation.

It further appears from the record herein and the records of the Commission that the applicant was born October enrolled citizen by blood of the Choctaw Nation whose name appears opposite number 15895 upon the final roll of citizens by blood of the Choctaw Nation approved by the Secretary of the Interior June 12, 1905, and Mary Boswell, a white woman who is an applicant to this Commission for enrollment as a citizen by intermarriage of the Choctaw Nation but whose right to such enrollment has not yet been determined.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is the opinion of the Commission that the enrollment of the father of the applicant herein, was not approved prior to March 3, 1905 the Commission is without authority to receive or consider the application for the enrollment of Inez Boswell as a

it relates. It would be better, instead, to use some other
character, e.g., the number 10, if the note is already to be

A copy of the opinion of the Attorney-General referred to therein is inclosed, and you are directed to strike the names of the claimants in the Cheetaw enrollment cases of Loula West et al., if enrolled; William C. Thompson et al., and Richard E. Coleman et al. from the partial roll of citizens of the Cheetaw Nation, as of this date, referring to this letter as your authority. Advise the Department of your action, giving roll numbers, etc., in order that the parts of the rolls in the possession of the Department and the Indian Office may be made to show the cancellation.

In accordance with said opinion, the enrollment of Cyrus H. Kingsbury and Lucy H. Littlepage will be allowed to stand. The patent in favor of Cyrus H. Kingsbury received with your letter of March 10, 1898, has been approved and is inclosed.

As soon as practicable you will advise the Department relative to the status of any land, whether patented, etc., that may have been selected by any person heretofore stricken from the rolls, to be stricken from such rolls, and make such recommendations as to the course that should be pursued concerning such tracts as you deem proper.

A carbon copy heretofore has been sent to the Indian Office.

Respectfully,

E. A. Hitchcock,

Secretary.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Flora Hendrix as a citizen by blood of the Choctaw Nation.

D E C I S I O N .

It appears from the record herein that on May 23, 1906, application was made to the Commissioner to the Five Civilized Tribes for the enrollment of Flora Hendrix as a citizen by blood of the Choctaw Nation under the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137).

It further appears from the record herein and from the records in the possession of this office that said applicant was born on April 5, 1905, and is the legitimate daughter of Brit Hendrix, whose name appears opposite No. 14401 upon the final roll of citizens by blood of the Choctaw Nation approved by the Secretary of the Interior April 11, 1903, and Jennie Hendrix, a non-citizen; and that said applicant was living on March 4, 1906.

I am, therefore, of the opinion that Flora Hendrix should be enrolled as a citizen by blood of the Choctaw Nation under the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137), and it is so ordered.

Dear Sir:

Receipt is hereby acknowledged of your letter of November 15, 1906, requesting me to explain why one affidavit states that Mina Holmes attended my child as midwife while other affidavits state no midwife was in attendance. I, Ellis Jefferson states that the correct date of the birth of my child, named Carolinsy Jefferson is November 8, 1905.

However, that in the affidavit of Ellis Jefferson of May 25, 1906, I states that just no physician was in attendance at the birth of my said child, Carolinsy Jefferson which was November 8, 1905. But there was midwife in attendance at the birth of my child and that midwife was Mina Holmes. The statements which I made in the second page of my letter are true and correct. Please enroll my child as a citizen of the Choctaw Nation under the act of Congress Approved April 23, 1906 and greatly oblige.

Yours truly

Ellis Jefferson.

Ellis Jefferson,

Garvin, Indian Territory.

Receipt is hereby acknowledged of your letter of November 5, 1906, stating that the correct date of the birth of your child is November 8, 1906, instead of October 8, 1906 and asking that the date be corrected on the affidavits to the birth of your child recently forwarded.

In reply to your letter you are advised that this statement has been made a part of the record in the matter of the enrollment of your child. It appears, however, that in the affidavit of Ellis Jefferson of May 22, 1906, he states that no physician or midwife was in attendance at the birth of this child while some question has been suggested by Miss Holmes who states that she attended Linnie Jefferson at the birth of this child.

You are requested to explain why one affidavit stated that Miss Holmes attended this child as midwife while other affidavits state no midwife was in attendance. Please give this matter immediate attention.

In the matter of the application for the enrollment of William Freeman and Joanna Freeman, as citizens by blood of the Cheetaw Nation, and for the enrollment of said Joanna Freeman, as a citizen by intermarriage of the Cheetaw Nation.

— DECISION. —

It appears from the census card record in this case that on June 14, 1899, application was made to the Commission to the Five Civilized Tribes for the enrollment of William Freeman as a citizen by blood of the Cheetaw Nation, and for the enrollment of his wife, Joanna Freeman, as a citizen by intermarriage of said Nation. Further proceedings were had in the matter of the application for the enrollment of said Joanna Freeman on December 18, 1902. Subsequently, and on December 24, 1902, written application was made to said Commission for the enrollment of James Richard Freeman, the minor child of said William Freeman and Joanna Freeman, as a citizen by blood of said Nation. Further proceedings were had in the matter of said applications on April 27, 1905, and on said date application was made for the enrollment of Maudie Bell Freeman, minor child of said William Freeman and Joanna Freeman, as a citizen by blood of the Cheetaw Nation.

Upon an examination of the tribal rolls of the Cheetaw Nation, the principal applicant, William Freeman, is identified upon the 1893 Cheetaw Leased District Payment Roll, Kiamitia County, page 126, No. 22, and also upon the 1896 Cheetaw Census Roll, Jacks Fork County, No. 4539, enrolled upon said roll as a citizen by blood of said Nation.

It further appears from the record herein that on November 9, 1896, the said Joanna Freeman was lawfully married to said William Freeman; that at the date of said marriage both persons above mentioned were residents in good faith of the Cheetaw Nation; and that they lived together in said Nation, as husband and wife, continuously since said date up to and including September 25, 1902; that the applicant, James Richard Freeman, was born March 31, 1900, and has resided in the Cheetaw Nation continuously since the date of his birth up to and including September 25, 1902.

It further appears that Maudie Bell Freeman was born February 18, 1904, and is not the child of a citizen of the Cheetaw or Chickasaw Nation.

That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and the

1-1-1905

--2--

were living on said latter date, to citizens by blood of the Chectaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

I am, therefore, of the opinion that William Freeman and James Richard Freeman should be enrolled as citizens by blood of the Chectaw Nation, and that Emma Freeman should be enrolled as a citizen by intermarriage of the Chectaw Nation, in accordance with the provisions of the Acts of Congress approved June 28, 1898 (30 Stat., 495) and July 1, 1902 (32 Stat., 641), and it is so ordered.

I am further of the opinion that, under the provisions of the law above quoted, I am without authority to receive, consider, or make any record of any application looking to the enrollment of Hattie Bell Freeman as a citizen by blood of the Chectaw Nation, and I, therefore, decline to receive the same.

Dear Sir:

Receipt is hereby acknowledged of your letter of February 7, 1908, relative to the application for the enrollment of your child, Maude Bell Freeman, and you are advised that it appears from the records of this office that affidavits to the birth of Maude Bell Freeman were forwarded this office, but your enrollment having not been approved prior to March 3, 1908, the Commissioner to the Five Civilized Tribes was without authority under the act of Congress approved March 3, 1908, to receive or consider said application for the enrollment of your child.

On September 23, 1907, your application for the enrollment of yourself and son, James Richard Freeman as citizens of the U. S., and of your wife, Maude Bell Freeman as a citizen by intestate claim, of the Cherokee Nation, and affidavit to receive the application for the enrollment of Maude Bell Freeman as a citizen by blood of the Cherokee Nation, were forwarded you on the same date.

Dear Mr.

In the matter of the application for the enrollment of your child Dona Victoria Taylor you are advised that the Health Officer of the City of New Orleans, Louisiana, has appeared before the Public before whom the affidavit of the physician was deposited and failed to affix his seal thereto. It will therefore be necessary that the physician execute an affidavit on the blank enclosed herewith.

You are clear advised that the mother of this child being dead you should forward the maintenance of the child to the father and that if the birth of this child was after the death of the mother of this child and that she was having her own child, this matter should remain confidential in order not to reveal any of the facts of the death of the mother.

DEPARTMENT OF THE INTERIOR,
BEFORE THE COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
MUSKOGEE, Indian Territory, July 8, 1905.

In the matter of the application of Judy Sexton for enrollment as a citizen by blood of the Choctaw Nation.

Judy Sexton being first duly sworn testified as follows, through sworn interpreter Calvin Lewis.

By the Commission:

Q What is your name? A Judy she says; she has been named Judy Sexton, her maiden name, but she is Judy Pope now.

Q How old are you? A Don't know.

Q What is your postoffice address? A Quinton, Indian Territory.

Q Are you an applicant for enrollment as a Choctaw Freedman, or do you claim to be entitled to enrollment in any other way than as a Choctaw Freedman? A She says she is here for enrollment as a Freedman of the Choctaw Nation.

Q Who do you claim through? Claim through your mother?

A Mother.

Q What is your mother's name? A Rhody.

Q Rhody what? A She says she can't herself tell. Rhody seems or Sexton.

Q Was your mother a slave? A Don't know.

Q Where were you born? A She says she can't tell where she was born at.

Q Where were you living at the time you first came to this country?

A She says she was living with her grandma near Quinton.

Q What is your father's name? A Alice Sexton.

Q He is a citizen by blood of the Choctaw Nation, isn't he?

A Don't know.

Q In case it develops that you are entitled to enrollment either as a citizen by blood of the Choctaw Nation, or as a Choctaw Freedman, which way do you elect to be enrolled?

A She says that she will risk the Freedman.

Q Do you understand that greater benefits will accrue to you if you are enrolled as a citizen by blood than will come to you if you are enrolled as a Freedman? A Well, she didn't know that, but if the Commission will give her the right by blood she will have that.

Q Then you elect to be enrolled as a citizen by blood of the Choctaw Nation? A Yes.

Q Have you ever lived outside of the Indian Territory? A No sir.

Q Have you any children? A Yes sir.

Q How many? A I am the mother of four children; three died and one is living.

Q What is the name of the child that is living? Millie Pope.

Q What is the name of the child that died?

A She says she don't know, but she says she is sure it was a boy.

Q When did he die? A Don't know, but she says she is sure.

Q Give it as near as you can remember when the child died?

A She says she just don't remember when the child died. She says she don't exactly know, but he had been dead about a year she reckons.

In the matter of the application for the enrollment of Lovel Sumner Brashears as a Choctaw new born.

-000-

Blanch Brashears, first being duly sworn, testified as follows:

EXAMINATION BY THE COMMISSIONER

- Q State your name, age and post office address? A Blanch Brashears, twenty-one years old, Hickory, Indian Territory.
- Q Are you a citizen of the Choctaw Nation? A Yes, sir.
- Q Are you the mother of the applicant, Lovel Sumner Brashears? A Yes, sir.
- Q How do you spell the middle name of this child, the affidavits presented here with reference to the birth of this child have it spelled S-u-n-m-e-r? A The correct way to spell it is S-u-m-n-e-r, and that is the way I would like to have it spelled. The Notary Public made a mistake when he filled out the affidavit.
- Q You want this child to go down as Lovel Sumner Brashears, is that right? A Yes, sir.
- Q In the matter of the application for the enrollment of this child it will be necessary for you to furnish the Commissioner to the Five Civilized Tribes with either the original or a certified copy of the marriage license and certificate showing the marriage between you and George W. Brashears, the father of this child, do you understand? A Yes, sir.

Witness excused.

Vester W. Rose on oath states that as stenographer to the Commissioner to the Five Civilized Tribes, he reported the proceedings had in the above matter and that the above is a true and correct transcript of his stenographic notes thereof.

Subscribed and sworn to before me this the 29th day of May, 1906.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Roosevelt James as a citizen by blood of the Choctaw Nation.

--- DECISION ---

It appears from the record in this case that on April 15, 1906 there was filed with the Commission application for the enrollment of Roosevelt James as a citizen by blood of the Choctaw Nation.

It further appears from the record herein and the records of the Commission that the applicant was born on March 4, 1905 and is a son of Silas James, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as number 442 upon the final roll of citizens by blood of the Choctaw Nation, submitted to the Secretary of the Interior December 12, 1903, and Mary James, a recognized and enrolled citizen by intermarriage of the Choctaw Nation, whose name appears as number 624 upon the final roll of citizens by intermarriage of the Choctaw Nation, approved by the Secretary of the Interior February 9, 1904.

The Act of Congress approved March 3, 1904 (Public No. 212) among other things provided:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living at said date of birth, as citizens by blood of the Choctaw and Chickasaw Tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is the opinion of this Commission that, because said Roosevelt James was not born prior to March 4, 1905,

2.

decline to receive or consider said application, under the
provision of law above quoted, and it is so ordered.

His grandmother, Mattie Freeny wanted to name him "Cleveland" and I preferred to call him "Ibra". His grandmother was present when the application was made and insisted on Cleveland for a name. We have now concluded to call him Ibra Cleveland Morris. Hence Ibra Morris and Cleveland Morris is one and the same. Madam:

Replying to your letter of Oct. 25, 1905, I desire to say that the matter of enrollment of your child is in the province of the Interior Department. The fact that the Department delayed your enrollment it seems ought to entitle your child to a hearing where it is shown that it was living on March 4, 1905. It would be well for you to communicate with Commissioner Bixby, at Muskogee, these facts in an affidavit form and see if you can not induce him to take the matter up.

In reply to your letter you are advised that the act of Congress approved March 3, 1906, authorized the Commission to the Five Civilized Tribes for a period of sixty days from that date to receive applications for the enrollment of children born prior

to the date of the act. The act further provided that the Commission should report to the Secretary of the Interior. DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES
Saskatoon, I.P., December 18th, 1900.

Chester New Barn #1803.

In the matter of the application for the surrender of
Winter Kelly Spring as a citizen by blood of the Cheyenne Nation,
under the provisions of the Act of Congress approved March 3,
1900 (33 Stats., 1000).

Applicant represented by A. E. Taylor, of the firm
of Sheppard & Fisher, Attorneys, Saskatoon, I. P.

He appeared on behalf of Cheyenne and Chickasaw
Nations.

Joseph E. Spring being first duly sworn, testified as
follows:

Examination by Mr. Taylor:

- Q You may state your name? A Joseph E. Spring.
Q And your present address? A Saskatoon.
Q Are you a citizen by blood of the Cheyenne Nation? A Yes sir.
Q In the State of Idaho?
Q Where was born?
Q Are you the father of Winter Kelly Spring? A Yes sir.
Q How old is that child? A About two years old.
Q Did you ever make application to the Commissioner of the Five
Civilized Tribes for the surrender of the child? A Yes sir.
Q What did you make that application for?
Q Surrender of what?
Q For what use your child is the surrender?

- Q How do you come to fix the 26th day of April as the day on which you wrote that letter? A Well, on the 24th I believe, I saw a notice, the first that I had seen.
- Q On the 24th you saw a printed notice? A Yes sir.
- Q Now what did you do in connection with the notice? A I saw that we had to make application to this Daves Commission to get him enrolled; that's why I wrote the letter.
- Q How do you fix the 26th day of April as the day on which you wrote it? A I looked at the calendar.
- Q You went to the calendar? A Yes sir.
- Q After the discussion you and your wife had relative to the enrollment of the child? A Yes sir.
- Q After you wrote the letter what did you do with it? A Took it to Redden post office.
- Q On the same day? A Yes sir, we wrote it one night and mailed it on the 26th; wrote it on the night of the 25th and dated it the 26th because it would be mailed that day; wrote it on the 25th and dated it the 26th.
- Q Knew you couldn't mail it until the next day? A Yes sir.
- Q And you are absolutely certain you mailed it at Redden on April 26th? A Yes sir.
- Q Did you get a reply to that letter? A Yes sir.
- Q About when was it that you got that reply? A I don't remember; a good while after we wrote the letter.
- Q Can you remember what was stated in the reply? A No, I don't.
- Q It is claimed that that letter was not received by the Commission to the Five Civilized Tribes until the 8th day of May, 1908. Are you absolutely certain that you did deposit that letter in the post office at Redden on the day you have testified? A Yes sir.

By the Commissioner:

- Q What day of the week was April 26th? A I don't remember that; but we looked it up on the calendar.
- Q Is Redden on the railroad? A No sir, fourteen miles from Stringtown.
- Q How often does the mail go between Redden and Stringtown?
- A Three times a week I think.
- Q What days does it leave Redden? A Saturdays - - I don't remember what days.
- Q What day of the week was it you mailed this letter? A I don't remember.
- Q Did you personally deposit it in the post office yourself?
- A Yes sir, I went there for that business; that's what I went for; made the trip for that purpose.

Witness crossed.

Ida E. Spring being called as a witness and duly sworn,
testified as follows:

By Mr. Taylor:

- Q What is your name? A Ida E. Spring.
Q You are a citizen by blood of the Choctaw Nation? A I am.
Q Are you the mother of Winter Kelly Spring? A I am.
Q Do you remember anything about a letter which your husband claims to have written to the Commission on April 26th, 1906, requesting the enrollment of that child? A Yes sir, I do.
Q You may state what your recollection is concerning that, please?
A He wrote the letter the morning of April 26th and told me he was going to take it to the Redden post office, which I supposed that he did, because he told me - I don't remember when, that day or the next day - that he mailed it.
Q Some time prior to this you had had in mind the necessity for enrolling that child did you? A Yes sir.
Q And you were watching and careful to see that everything was done that needed to be done? A Yes sir.
Q How do you come to remember that that was April 26th?
A Because we had been discussing it and we looked on the calendar and saw that it was the 26th day of April.
Q Then after the discussion between yourself and your husband relative to the enrollment of that child that letter was written? A Yes sir.
Q And you then looked on the calendar for the date? A Yes sir.
Q And fixed it in that way? A Yes sir.
Q And Mr. Spring left the house for the purpose of going to the post office to mail that letter? A Yes sir, he did.
Q You didn't go with him? A No sir, I didn't.
Q But you knew he left the house for that purpose? A Yes sir.
Q And when he returned did he tell you that he had mailed that letter? A Yes sir. I don't know whether it was that day or the next.
Q But the subject came up within a very few hours and he told you he had mailed the letter? A Yes sir.
Q You are absolutely positive it was written on the 26th? A Yes sir.
Q And he left the house for the purpose of mailing that letter at that time? A Yes sir.

Milliam being first duly sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported the proceedings had in the above entitled cause on the 15th day of December, 1906, and that the above and foregoing is a true and correct transcript of his stenographic notes thereof.

Q Is John Dorset a resident of the Indian Territory at the present time? A Yes, sir.

Q Where does he live? A At Caddo, Indian Territory.

Q In the event that yourself, and your two children and your nephew are given land in the Choctaw Chickasaw country is it your intention to make your permanent home in the Indian Territory? A Yes, sir.

Q Have you made any contract or agreement of any kind on behalf of yourself, your two minor children, or your nephew respecting the lands which you expect to receive in allotment from the Choctaw and Chickasaw Tribes of Indians? A Yes, sir.

Q With whom have you made this contract? A Mr. Phillip, I do not know his first name.

Q Is he a white man? A Yes, sir.

Q Did you make this contract respecting your own land or that of your children? A My own.

Q Where does this man Phillip live? A In Caddo.

Q What was the nature of that contract that you made with Mr. Phillip? A I don't know.

Q Have you ever signed a contract with Mr. Phillip? A No, sir.

Q Have you at any time agreed with any person to sell or lease any part of the land which you may receive for yourself, or for any one whom you may lawfully represent? A Yes, sir for myself.

Q Has any contract been drawn up to that effect? A No, sir.

Q You have agreed verbally to lease your lands have you? A Yes, sir.

Q What are the terms of that verbal contract? A I have not made any agreement about that yet.

By Mr. McPherrren: I will state to the Commission that there has been no contract made between this woman and Mr. Phillip; I represent Mr. Phillip and he has been trying to make a deal with Mr. Dorset, the husband of this woman to sell him a piece of land for her; I think if you will have the nature of a contract explained to her she will state that she has not made any contract, either verbal or written.

By Examiner to Interpreter: Mr. Huser, will you please explain to the witness the nature of a contract and ascertain whether or not she has made one.

Statement of witness: I am a Choctaw, I now understand your questions, I did not understand that before; I desire to state that I have not now, or at any time made any contract or agreement with any person for the sale or leasing of my allotment.

Q When you came to the Indian Territory the first time did you bring your children Joe and Minnie and your nephew Bob Horton with you? A No, sir; only brought one of the children.

Q Which one? A Joe Umber.

In witness whereof I herewith set my hand this the 18th day of August, 1902.

Fred F. Kinrade being first duly sworn in oath states that above and foregoing is true, full and correct copy of the original which is now on file with the records of the Commission, Choctaw Land Office, in Mississippi Choctaw Allotment Jacket No. 807.

(Signed) Fred F. Kinrade

Subscribed and sworn to before me this September 18, 1902.

(Signed) David Seefelt,

Note:

It is desired to enroll this child as a citizen of the Choctaw Nation. The father is on the Choctaw roll, and the mother is identified as a Mississippi Choctaw; therefore, the child must be enrolled through its father and evidence of marriage is necessary.

The marriage certificate filed in 7-NB-609, ~~was~~ a certificate of the marriage of John Dorset and Ida Umber, gives Dorset's name as John Dorsey. The certificate states that the ceremony took place in Blue County, Choctaw Nation, August 18, 1902, and was performed by J. H. Goforth, county and probate judge.

John Dorset, approved Choctaw roll No. 14377, the father of this applicant, testifying in the matter of his own enrollment, testified (see page 3 of said testimony) that he was married to Ida Umber on August 18, 1902, at Caddo, Indian Territory.

Ida Umber, mother of the applicant, testifying on August 27, 1903, in the matter of the proof of her settlement within the Choctaw-Chickasaw country, testified that on August 18 or 19, 1902, in the Indian Territory, she was married to John Dorset, and she offered in evidence at this time a certificate of marriage signed by J. H. Goforth, county and probate judge, to the marriage on August 18, 1902, of John Dorsey and Ida Umber. A certified copy of said certificate is attached to said copy of evidence. This certified copy is identical with the original certificate on file ~~at~~ this office except that the date on the original is 1903, while that on the copy is 1902.

This copy is apparently an incorrect copy of said original, and I believe that in view of the testimony the certificate may safely be accepted as the certificate of the marriage of the parents of this applicant.

Receipt is hereby acknowledged of your letter of October 24, 1906, in which you refer to office letter of October 22, 1906, requesting new affidavits to the birth of your child, Lottie M. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Eliza Jane Jennings as a citizen by blood of the Choctaw Nation.

- - D E C I S I O N : - -

It appears from the record in this case that on September 12, 1905, there was filed with the Commissioner to the Five Civilized Tribes an application for the enrollment of Eliza Jane Jennings as a citizen by blood of the Choctaw Nation.

It further appears from the record herein, and from the records of the Commission to the Five Civilized Tribes, that the applicant was born on March 21, 1905, and is a daughter of James C. Jennings, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as No. 15893 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior June 12, 1905, and Leona Jennings, a recognized and enrolled citizen by intermarriage of the Choctaw Nation whose name (as Ida Leona Jennings) appears as No. 1466 upon the final roll of citizens by intermarriage of the Choctaw Nation approved by the Secretary of the Interior June 10, 1905.

The Act of Congress approved March 3, 1905, (33 Stats., 1050), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for the enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act, and to enroll and make allotments to such children."

I am of the opinion that, inasmuch as Eliza Jane Jennings was not born prior to March 4, 1905, and is not the child of a citizen by blood of the Choctaw Nation whose enrollment had been approved by the Secretary of the Interior prior to the date of the approval of the act above cited, and no application having been made for her enrollment as a citizen by blood of the Choctaw Nation within the time specified in the act of law above quoted, I am without authority to receive or consider the application for her enrollment as a citizen by blood of the Choctaw Nation and that therefore, I should decline to receive or consider the same, and it is so ordered.

Note —

that affidavit of midwife, dated May 24-'06, gives date of birth as January 20-1906, which coincides with both affidavits of the mother, while midwife affidavit of July 23-'06 gives date of birth as January 29-'06. This appears to be a clerical error, and under either date, the child is entitled to enrollment. This second affidavit was made on a blank sent back to the mother for correction of error in signature of mother's former affidavit. I suggest that the midwife's first, and the mother's second affidavits be considered to fill in as one application.

Commissioner.

Washington, D.C., March 25, 1904

Respected Sir:-
I have the honor to acknowledge the receipt of your letter of the 23rd inst.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to write the attention of the Department to the matter of the enrollment of Henry F. Smith as a citizen of the United States, according to the provisions of the Act of March 3, 1903 (32 Stat., 127).

1904 (32 Stat., 127).

It appears that on the 23rd inst. your Department has been advised by the Attorney General that the enrollment of Henry F. Smith as a citizen of the United States, according to the provisions of the Act of March 3, 1903 (32 Stat., 127), is not in accordance with the provisions of the Act of March 3, 1903 (32 Stat., 127).

Secretary #2.

Congress approved April 20, 1906 (34 Stat., 137), and whose enrollment as such was approved by the Secretary of the Interior December 20, 1904.

It further appears that on April 27, 1906, there were received by this office the affidavits of the mother, Lerna Wilson, the mid-wife, Lucy Franklin, and two acquaintances, James Burr, Sr. and Finny Cooper, as to the birth of Henry Wilson on October 28, 1901, and the name of said child was placed opposite No. 404 upon a schedule constituting a part of the final roll of citizens by blood of the Chester Nation, enrolled under the provisions of the Act of Congress approved April 20, 1906 (34 Stat., 137), and whose enrollment as such was approved by the Secretary of the Interior March 1, 1907.

The name of the father of this child was transcribed upon the records of this office as Willie Nelson who is enrolled opposite No. 4512 upon the approved roll of citizens by blood of the Chester Nation and the mother was transcribed as Lerna Wilson who is enrolled opposite No. 2034 upon the approved roll of citizens by blood of the Chester Nation, and it clearly appears that the names appearing opposite Nos. 404 and 406 of the approved roll heretofore referred to differ to such an extent as to be impossible of identification.

Secretary #1.

I have the honor to further report that an application for the allotment of land of the total appraised value of \$1040.00 has been made in the name of Henry Nelson, Choctaw Minor Child, Roll No. 760, and that no allotment of the land of the Choctaw and Chickasaw Nations has been made in the name of Henry Nelson, Choctaw Minor Child, Roll No. 908.

In view of the foregoing I have the honor to recommend that there be placed upon the final roll of citizens by blood of the Choctaw Nation, enrolled under the provisions of the Act of Congress approved April 26, 1906 (34 Stat., 187), and upon the letter of transmittal in the possession of the Department, opposite the name of Henry Nelson appearing thereon at No. 908, the following notation:

Duplicate enrollment of No. 760; no allotment to be made in this name.

and that a like notation be placed upon the copy of the roll and letter of transmittal in the possession of the Indian Office.

I have the honor to further recommend that this office be authorized to place a like notation upon the copies of the roll and letter of transmittal in its possession.

Respectfully,

Through the Commissioner
of Indian Affairs.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Ike Williams as a citizen by blood of the Choctaw Nation.

--: D E C I S I O N :--

It appears from the record herein that on April 13, 1905 there was filed with the Commission application for the enrollment of Ike Williams as a citizen by blood of the Choctaw Nation.

It further appears from the record herein and the records of the Commission that the applicant was born on March 4, 1905 and is a son of Joseph Williams and Netsy Williams, recognized and enrolled citizens by blood of the Choctaw Nation whose names appear as numbers 8942 and 8953, respectively, upon the Final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior January 16, 1903.

The Act of Congress approved March 3, 1906 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, as citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is the opinion of this Commission that, because as the said Ike Williams was not born prior to March 4, 1905, the Commission is without authority to receive or consider the application for his enrollment as a citizen by blood of the Choctaw Nation and that, therefore, the Commission should decline to receive or consider such application.

Notes

There appears to be nothing amiss with this application except that the supplemental affidavit that the child's name is Mattie, is signed by mark without attesting witnesses, and is signed Nellie Benjamin Graham instead of Nellie Hardy Graham, as in the application.

This woman, the mother, is identified as Nellie Hardyson Choctaw card no. 1962, and a notation on said card states that she became the wife of one Ben Benjamin. This is sufficient to identify Nellie Hardy Graham as Nellie Benjamin Graham. As to the lack of attesting witnesses, the statement would have been sufficient if made in the form of a mere letter, and the mother's name written, at her dictation with neither mark nor witnesses. I see no good reason for withholding this child from enrollment.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to enclose a report from the Commission to the Five Civilized Tribes, dated June 30, 1905, transmitting the record of the application for enrollment as a citizen by blood of the Choctaw Nation of Dorothy Lewis.

June 30, 1905, the Commission decided adversely to the applicant.

The record shows that the applicant was born April 22, 1902, and is a daughter of Anderson Lewis whose name appears opposite No. 9149 on the final roll of citizens by blood of the Choctaw Nation approved by the Department February 1, 1904, and Julia Lewis, a non-citizen.

In view of the record and of the act of March 3, 1903 (32 Stat., 1871) the approval of the Commission's decision adverse to the applicant is recommended.

Sir:

June 30, 1905, the Commission to the Five Civilized Tribes transmitted the record of the application made April 27, 1905, under the act of March 3, 1905, for the enrollment of Dorothy Lewis, an infant, born April 23, 1905, as a citizen by blood of the Choctaw Nation, including its decision dated June 30, 1905, declining to receive or consider said application, on the ground that Dorothy Lewis was not born prior to March 3, 1905, and the Commission is without authority to receive or consider the same.

July 28, 1905, the Acting Commissioner of Indian Affairs, reversing the action, recommended that the decision of the Commission declining to receive or consider said application be affirmed. A copy of his letter is inclosed.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Dorothy Lewis as a citizen by blood of the Choctaw Nation.

—DECISION—

It appears from the record herein that on April 27,
1906 there was filed with the Commission application for the
enrollment of Dorothy Lewis as a citizen by blood of the
Choctaw Nation.

It further appears from the record in this case and
the records of the Commission that the applicant was born
April 23, 1906 and is a daughter of Anderson Lewis, a voter
and enrolled citizen by blood of the Choctaw Nation,
whose name appears upon the first roll of the first roll
of citizens by blood of the Choctaw Nation, approved by the
Secretary of the Interior February 4, 1904, and whose Lewis
is a descendant.

The Act of Congress approved March 3, 1906 (34 Stat.
No. 224) among other things provides:

"That the Commission to the Five Civilized Tribes
is authorized for sixty days after the date of the ap-
proval of this act to receive and consider applications
for enrollment of children born subsequent to September
thirty-first, nineteen hundred and two, and born of
any Indian, Cherokee, Chickasaw, Choctaw, or Seminole
living in said States, and of any citizen by blood of
the Choctaw and Chickasaw Tribes, and of any person whose
enrollment has been approved by the Commission of the
Interior prior to the date of the approval of this
act; and to enroll and give citizenship to such
children."

It is the opinion of the Commission that, because
the said Dorothy Lewis was not born prior to March 3,
